

ANNUAL ASBESTOS NOTIFICATION LETTER

School Year 2018-19

August 2018

Dear Staff, Guardians and Students:

In compliance with the Asbestos Hazard Emergency Response Act of 1986 (AHERA), all schools in the school district are required to inspect their buildings for asbestos-containing materials and to develop a Management Plan. All schools in the North Middlesex Regional School District have completed this Inspection/Management Plan.

A copy of our district's Asbestos Management Plan is available and accessible in each school office for public review during regular office hours.

The district continues to update and improve the AHERA Asbestos Management Plans. Any inquiries regarding the management of asbestos-containing materials in our schools should be directed to our district's AHERA Designated Person, Oscar Hills, who can be reached at North Middlesex Regional School District 45 Main Street Pepperell, MA 01463, OHills@nmrsd.org, or (978) 597-8713 ext. 1901.
