

COMMUNITY USE OF SCHOOL FACILITIES

It is the North Middlesex Regional School Committee's desire that use of school property be enjoyed by the townspeople of each member community. It is the Committee's intent that such use will maintain safe conditions and preserve the property for school program use. Availability of school facilities may be reduced during periods of high maintenance and usage.

Use of school buildings and other facilities by organizations will be permitted only when a worthy educational, civic, or charitable purpose will be served; or a substantial group of citizens from the community will be benefited.

School facilities will be used according to the regulations and rental fee schedules recommended by the Superintendent and approved by the School Committee.

Permission for the use of facilities must be obtained through the office of the Superintendent of Schools, where applications are available for this purpose.
