PROJECT GRADUATION NEEDS YOUR HELP!

Project Graduation is a wonderful event for our graduating Senior class. We need everyone's help to make the evening a success! We are in need of at least 40 volunteers. Project Graduation can't happen without chaperones. You must have an active CORI on file in order to volunteer. There is limited time to get CORI'd if you are not already. Time is running out as NMRHS Graduation is June 1st. The link below is how you can sign up. Even if you can't do a full-time slot, we will gladly accept any and all help.

PEPPERELL TROOP 13 SHOE DRIVE

Got shoes? We are looking for NMRSD families and community members to help support Troop 13 of Pepperell by donating gently worn, used and new shoes from now thru May 31st. Here's how to help:

Start in your family's closets and gather pairs of shoes that you've outgrown, are out of style, or out of season. Not only are you cleaning out your closets of shoes you don't want anymore, but it's also keeping them out of our landfills! These shoes will help support our program as well as individuals in developing nations like Haiti and Bolivia by giving family members a chance to start up their own micro shoe business so they can better support their families.

If we challenge each family to drop off 2-5 pairs of shoes to help us reach our overall goal of 100 bags filled with 25 pairs each, we will reach our goal.

The two drop off locations in Pepperell are listed below:

Donelan's -there is a Shoe Drop Bin just inside the door to the left

Lawrence Public Library- there is a small bin across from the checkout counter, by the display case.

Thank you in advance for your help and support!
