## **NORTH MIDDLESEX EDUCATION FOUNDATION**

The North Middlesex Regional School District administration is interested in establishing an education foundation for our schools. The foundation would raise funds to award mini-grants to teachers and staff to provide enrichment opportunities for our students.

The NM Education Foundation would explore the possibility of establishing a recognition program for former students who have achieved major accomplishments and educators and friends who have made outstanding contributions to education in the North Middlesex Regional School District.

If you are interested in being a part of this exciting initiative, please contact the Superintendent at [jlanders@nmrsd.org](mailto:jlanders@nmrsd.org).
