Exploring Potential Impact of Job Sharing of District Employees

District Principals & Assistant Principals (Mike Flanagan, Steve Coughlan, Pauline Cormier, Chris Morassi, Mike Tikonoff, Becky Janda, Tara Hanley, Beth Lewandowski, Erik Magnuson) were in attendance and shared their individual thoughts on the sharing of superintendent services with Quabbin for FY10. Administrators were supportive of this proposal with the primary driver being the teaching roles retained as a result. Support was for one year with a reassessment at the end of the year.

A discussion of the benefits and challenges associated with going forward with this proposal ensued with subcommittee members asking questions of the administrators.

At 7:45 PM the Principals and Assistant Principals left the meeting and the Central Office Administrators (Deborah Brady, Sheila Muir, Oscar Hills, Linda Rakiey and Barbara Conti) joined the subcommittee meeting.

Ken Brown read e-mails he received from Jerry Martin and Peter Balducci. Both were unable to attend the meeting but expressed their reasons for support of the sharing of administrative services.

A discussion of the benefits and challenges associated with going forward with this proposal followed with the Central Office Administrators and Subcommittee. The Central Office Administrators spoke in favor of the sharing of administrative services proposal and in their belief in the abilities of the District's resources and Dr. Marshall to continue to execute on the NMRSD Strategic Plan.

ADJOURNMENT

A motion was made by Sue Fitzgerald and seconded by Arnie Silva to adjourn.

The motion passed unanimously.

The meeting adjourned at 8:35 PM.

Respectfully submitted,

Nancy A. Landry, Secretary
