

North Middlesex RSD DELTA DENTAL

North Middlesex RSD offers a comprehensive dental program through Delta Dental of Massachusetts. The Voluntary Table of Allowance Plan is an employee-paid dental plan that will enable you and your family to enjoy the benefits of quality, affordable dental care.

How many dentists are in the plan network?

The Delta Dental Premier Voluntary Enhanced Table Plan utilizes our Delta Dental Premier network of more than 9,000 dentist locations in Massachusetts. Because our dentists generally agree to accept reduced fees from Delta Dental members, your out-of-pocket costs will generally be lower when visiting a Delta Dental Premier dentist.

Are there waiting periods or pre-existing condition exclusions?

There are NO exclusions for pre-existing conditions and NO waiting periods.

Can I also cover my dependent child (ren)?

Dependent children are eligible until they are 26 years old or two years past the loss of dependent status, whichever occurs first.
