

SCHOOL DISTRICT GOALS AND OBJECTIVES

*Pathways to Success:
Our Goals*

Goal 1 Curriculum and Instruction

Provide a rigorous, high-quality instructional program based on best practice for *all* learners that prepares every student for college, the world of work, and success in a global society.

Goal 2 Professional Development

Establish ongoing, job-embedded, quality professional development for all staff that is focused on improving student achievement and that builds the capacity of the district to address specific school and district needs.

Goal 3 Accountability

Institute assessment practices from which meaningful data is gathered and used to improve professional practice, inform decision making, and measure individual, school, district, and programs.

Goal 4 Technology

Expand the use of technology throughout the district and in classrooms to support and enhance educational opportunities, teaching and learning, data gathering and analysis, communication, and the organizational needs of individual schools and the school district.

Goal 5 Human Resources

Recruit, support in a comprehensive induction program, and retain a diverse, high quality (world class) faculty and staff who maintain high professional standards.

Goal 6 Communication/Partnerships

Develop communication strategies that initiate and sustain productive partnerships with parents, community members, public and private agencies, other educational institutions and/or businesses to fulfill the mission of the school district.

Goal 7 **Resource Acquisition and Management:
Revenue/Time/Energy**

Support high quality teaching and learning activities by accessing and judiciously and creatively managing resources so that the maximum level of financial support can be directed to activities shown to improve student achievement.

Goal 8 **Plant and Facilities**

Ensure that the current school facilities support and enhance both educational program needs and appropriate ADA, health and safety requirements.

Goal 9 **Image, District and School Climate**

Provide the community with a clear, realistic image of the North Middlesex Regional School District so that citizens and parents understand, appreciate, and support the educational programs and needs of the school district.

Goal 10 **Student Services**

Provide quality district and school level student service programs including guidance, academic support, enrichment, and summer school programs that meet the educational developmental and social needs of *all* students.
