

Mark your calendars!

Friday, October 30 is Costume Day!

Please send no more than one accessory with your costume. A mask, a tail, a vest, a hat, etc. are acceptable but choose only 1 so we do not lose pieces. No fake weapons are permitted.

Students are still encouraged to wear face masks while wearing their costumes, to help prevent the spread of COVID.

Students may also bring an individual Halloween-themed snack for the week of October 26-30.

Email your teacher with any questions!
