

We Are **NM**

July 18, 2022

Dear NMRSD Extended Day Program Parent/ Guardian,

I am pleased to be the Director of the NMRSD Extended Day Program for the second year. The program serves all three towns and the programs are housed at the Ashby Elementary School, Spaulding Memorial School, and Varnum Brook Elementary School.

Below is the link to get you started with registration and set up of the online payment program through MSB activities. If you were registered in the month of June, you are exempt from the \$25 registration fee this year. Please remember that you need to have a zero account balance from last year in order to enroll for this coming school year.
