

Mandatory Workplace Safety Standards

Announced by Lieutenant Governor of Massachusetts May 11, 2020

Social Distancing

- 6' Apart for all employees, customers and vendors to the extent possible inside and outside
- Provide signage for social distancing
- Establish Protocol so employees can practice social distancing
- Require face coverings or masks for all employees

Hygiene

- Ensure Frequent Handwashing for Employees and provide supplies to do so
- Provide regular sanitization of high touch areas such as workstations and equipment, screens, doorknobs and rest rooms throughout the workplace

Staffing and Operations

- Provide training on social distancing and hygiene protocols
- Employees who display COVID-like symptoms do not report to work
- Establish plan for employees getting ill from COVID19 at work and establish a return to work plan

Cleaning and Disinfecting

- Have cleaning protocols specific to business
- If an active employee is diagnosed with COVID19, cleaning and disinfecting must be performed
- Disinfection of commonplace high touch surfaces must take place at appropriate intervals
