

June 14, 2019

Dear Parents and Students,

Summer is here and the grade six teams hope you will have a wonderful and rewarding break from your school activities. Before you know it, however, it will be the end of August and you will be returning for an exciting year of learning.

In order to get off to a good start, we have agreed upon some basic supplies that you should bring with you on the first day and every day thereafter. The list is as follows:

1. \* 3-ring Binder (3 inches): a sturdy binder with one set of metal rings and no zippers.  
(please leave this empty, we will organize it when they arrive in school)
2. 2-one inch binders for Reading, and Music/Health.
3. 2-three-hole punched **plastic** pocket folders.
4. Six packs of filler paper (two packs per trimester, leave four at home)
5. **2 sets** of 8 tab dividers (Please leave these blank). We find the write-on tabs work best.
6. A small zippered pen/pencil
7. Colored pencils and highlighters
8. Headphones/earbuds to use with our Chrome Books.
9. Pens (blue and black only - **no gel pens**)
10. Pencils (#2), erasers and pencil sharpener (**no mechanical pencils**), needed continuously throughout the year.
11. A Sketchbook for Art Class, spiral-bound, no larger than 9 x 12
12. Sneakers and deodorant for Physical Education Class
13. If possible, two boxes of tissues and one container of disinfectant wipes (give to homeroom teacher)
14. A positive attitude

\* You may want to have an extra binder on hand, since they seldom last through the year. Broken binders purchased at Staples are replaced throughout the year when presented with a receipt.

The above items are what we believe is essential for helping you to organize and use the information as you receive it in your classes.

Summer reading and math ideas will be available on the Nissitissit website. Please check this out as it is important to practice these skills.

Sincerely,  
The Sixth Grade Teams
